## **8TR Treadmill with OpenHub™**

Our dedication to innovation has led us to search for new ways to offer the best user experience possible, and nowhere is the effort more evident than in our 8 Series cardio. Built in are the user focused features you have come to expect from Star Trac, like personal fans, a hot bar with heart rate monitoring and Soft Trac® technology. The 8TR Treadmill is available with either the LCD or 10 inch touch screen OpenHub™ consoles, with the option to add a personal viewing screen for entertainment. OpenHub™ consoles provide intuitive connectivity options for entertainment, fitness tracking and asset management. Give your members and staff the complete fitness experience by adding 8 Series cardio with OpenHub™ to your facility.

# SMART. AFFORDABLE. FLEXIBLE.

When we set out to design our new console, our philosophy was simple: provide a flexible platform that connects expert partners to provide solutions for every customer for today and into the future. Introducing the new OpenHub™ family of Cardio Consoles. OpenHub™ is a smart, affordable, configurable solution available on Star Trac® and StairMaster® cardio equipment. The best part is, you add (and pay for) only what you want, when you want. The future of club connectivity is here. The future is OpenHub™.

## BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
